ORDER:-

In the reference 1st and 3rd read above, the Director of Town and Country Planning (DTCP) has informed that, hostels and dormitories are often not allowed in areas marked for industrial use. The Hostels and dormitories are allowed in residential and commercial zone and in-case of Industrial zone, Residential buildings for staff, Watch and Ward staff quarters are allowed incidental to main use in some areas and there are no common regulations.

2. Therefore, the DT&CP., Mangalagiri, has requested the Government to issue common orders, permitting the Hostels and Dormitories in the industrial zone for the Master Plans approved till date and also to be approved Master Plans for all Urban Local Bodies and Development Authorities in the state incidental to main use.

3. Government after examining the proposal of the DTCP, AP, have observed that, allowing both in situ and private development of hostels and dormitories in industrial areas can reduce the distance between work and home, address safety concerns (particularly for women) and help workers to increase their productivity.

4. Therefore and after careful examination of the matter and in order to encourage Industrial Development and to accommodate the industrial staff housing, have decided to allow construction of Hostels and Dormitories in Industrial use Zones for the Master Plans approved till date and also to be approved Master Plans for all Urban Local Bodies and Development Authorities in the state (except in capital city area) incidental to main use.

5. Accordingly, the following notification will be published in Extraordinary issue of the Andhra Pradesh Gazette, dt:19.12.2024.
